(**Em G C9 A9**)

Well there s far too many questions to ask
To answer all of them tonight
For I wear, too many masks
To tell if any of them are wrong or right
And confusion casts a shadow upon me
Like a great big cloud in the sky
And now I pray for rain
Cause it s been so long since I let myself cry

(**G C9 D**)

For so long, I ve sang this sad old song
And it feels like my time is up
For she came and landed in my arms
And she filled my half empty cup

A9

Yes she filled my half empty cup

(**C9 A9 Em G**)

There you are
Right in front of me
A brand new day
Sunrise Over Sea
No longer
My cup half empty
Cause there you are
You and your mom in front of me
in front of me

(**Em G C9 A9**)

Now I look up above me
And I thank that Great Old God in the sky
For telling me my cup ain t half empty
Just took my little girl to show my why

(**G C9 D**)

For so long, I ve sang this sad ole song
And it feels like my time is up
For she came and landed in my arms
And she filled my half empty cup

A9

Yes she filled my half empty cup

(**C9 A9 Em G**)

There you are
Right in front of me
A brand new day
Sunrise Over Sea
No longer
My cup half empty
Cause there you are
You and your mom in front of me
Your Peaches & Cream to me
You both are Peaches & Cream to me
Your Peaches & Cream to me
You and your mom in front of me
Your Peaches & Cream to me

All I know is
All I know and
I love you
