Lyrics

I could be loud man, I could be silent
I could be young man or I could be old
I could be a gentleman, or I could be violent
I could turn hot man or I could be cold
I could be just like the calm before the storm boy waitin for all hell yeah to
break loose
I could be innocent or I could be guilty
Doesn t mean that I won t believe in the news
So I m singing ...

I could be rich like a wondering gypsy
I could be poor like a fat wallet lost
I could be the first man or I could come last
It s not who breaks the ribbon boy it s how you get across
I could be red, blue, black or white sunset
As dark as a day boy or bright as a night
I could be the sun boy or I could be the moon
I made it from the stars boy I m shining so bright

So I m singing...

I could be asleep boy, or I could be awake

I could be alive and a be the walking dead

I could be ignorant or I could be informed

I could lead my life man or I could be lead

I could be anything I put my mind to boy all I gotta do is give myself a half a chance

I could bring love back into my life

And share it with the world if I had some balance
