

Time

John Cadley

I've seen this song played mostly with the capo on the 3rd and 2nd fret.
I like to play it without capo, depends on your vocal range, cheers!

Intro: **D**

Verse:

When I was young I dreamed of being older **G** **A**

Now that I m older I dreamed of being young **D** **G**

I dream of a time when there was no time at all **D** **A** **Bm** **G**

And I wonder where the time has gone **A** **G** **D**

When I was young I dreamed of how I d spend my life **G** **A**

Now that I m older I spend my life in dreams **D** **G**

The things I ve planned I ve never done **D** **A**

The things I ve done I never planned **Bm** **G**

And all the while it is later than it seems **A** **G** **D**

Chorus:

G **A** **D**
Time you re no friend to me

G **A** **D**
As you go tickin by I can hear the enemy

G **A** **Bm** **G**

Each day you add a number to the things I ll never be

A

G

D

Oh Time, your no friend to me

Verse Again:

When I was young the road went on forever
Now that I m older I see it isn t so
Once I took my time...now time has taken me
And no one has to tell me where it goes
