John Cafferty and the Beaver Brown Band

New York City SONG (N.Y.C. SONG)

JOHN CAFFERTY

G

I said, hey little girl
Take me by the hand
Walk with me down this boardwalk
One last time again

C9

We re gonna see those pretty pier lights

G

Hear those carnival sounds

D

Well we ll stop right at the top tonight

C

G

As this ferris wheel goes round

G

Now you say that I m restless
You don t understand
Tomorrow I ll be leavin on that mornin train

C9

I m gonna leave this candy apple town behind

G

And get out while I still can

D

I m goin to New York City

C

G

With this guitar in my hand

C9

And I ve been wishin on these stars too long

G

And I ve been playing in these bars too long

C9

I ve been hold up in your arms too long

G

I ve been a prisoner of my heart too long

C9

I m goin to New York City

G

To find out where I stand

D

And I ll be walking down Broadway

C

G

With this guitar in my hand

**** Guitar Solo **** (Pick down and up through G, C9 and D chords - listen to the song to get the feel)

G

Now I sing for these tourists
Bout a dream life on the water
But when that dream gets broken
This life gets harder and harder

C9

I gotta leave this candy apple town behind

G

And get out while I still can

D

I m goin to New York City

C

G

With this guitar in my hand

G

C9

And I ve been wishin on these stars too long

G

And I ve been playing in these bars too long

C9

I ve been hold up in your arms too long

G

I ve been a prisoner of my heart too long

C9

I m goin to New York City

G

To find out where I stand

D

And I ll be walking down Broadway

C

G

With this guitar in my hand
