

Halloween Theme
John Carpenter

Ok, this song is originally intended for the piano. The main rythm is played quite fast followed by a background and a drum machine I suppose. Sounds really cool if you can get them in sync.

Guitar 1 (main riff)

```
e---9-----9-----9-----10-----|
B-----7--7-----7--7-----7-----7-----|
G-----o-----o-----o-----o-----|
D-----o-----o-----o-----o-----|
A-----|-----|-----|-----|
E-----|-----|-----|-----|
```

```
e---8-----8-----8-----9-----|
B-----6--6-----6--6-----6-----6-----|
G-----o-----o-----o-----o-----|
D-----o-----o-----o-----o-----|
A-----|-----|-----|-----|
E-----|-----|-----|-----|
```

Guitar 2 (Play each chord after each main riff measure)

```
e-----|
B-----|
G-----|
D---4-----7-----3-----|
A---4-----7-----3-----|
E---2-----5-----1-----|
```

Bass

```
G-----|
D-----|
A-----0-----|
E---2-----1--2-----|
```

You could have lots of fun with this. Be creative, have fun!
