

Amazon Let This Be A Voice
John Denver

D --0232
G 320003
A -02220
A(V) 577655

Verse Pattern:

D G D
There is a river that runs from the mountains
D G D
That one river is all rivers
G D
All rivers are that one

There is a tree that stands in the forest
That one tree is all forests
All trees are that one

There is a flower that blooms in the desert
That one blossom is all flowers
All flowers are that one

There is a bird that sings in the jungle
That one song is all music
All songs are that one

Chorus Pattern:

G A D
It is the song of life
G A D
It is the flower of faith
G A D
It is the tree of temptation
G A D A D D A D
It is the river of no regret

A(v) | D | A | D

[Verse Pattern]

There is a child that cries in the ghetto
That one child is all children
All children are that one

There is a vision that shines in the darkness
That one vision is all of our dreams
All of our dreams are that one

[Chorus Pattern]

It is a vision of heaven
It is a child of promise
It is the song of life
It is the river of no regret

A(V) | D | A(V) | D

A	G	D
Let this be a voice for the mountains		
Let this be a voice for the river		
Let this be a voice for the forest		
Let this be a voice for the flowers		
Let this be a voice for the ocean		
Let this be a voice for the desert		
Let this be a voice for the children		
Let this be a voice for the dreamers		
Let this be a voice of no regret		

A(V) | D | A | D A D D A D

Note on playing: Listen to the song, each bar of D begins with a quick single strum of
(--0230). Sounds really great.
