Annie's Other Song - John Denver

[Verse 1]

C# **F#**
I'm bringin' me home to you,
G# **C#**
It's all that I have to give
F#
My life, my love, my every thing,
G# **C#**
It's you I choose to be with
G#
Had a wonderful time in the city,
C#
I smile when I recall
G#
The space, the songs, the company,
C#
I really had a ball

[Verse 2]

C# **G#**
It's a funny set of circumstances,
C#
Sends me out on the road alone
G#
With the moon lookin' over my shoulder
C#
I'm finding my way back home
C# **F#**
I'm bringin' me home to you,
G# **C#**
It's all that I have to give
F#
My life, my love, my every thing,
G# **C#**
It's you I choose to be with

[Verse 3]

G#
Ridin' high in the Rocky Mountains,
C#
It's a quiet and peaceful time
G#
I swear the stars are smilin',
C#
Like they know what's on my mind

G#

You see on any such an occassion,

C#

My thoughts will turn to you

G#

The time I spend all by myself,

C#

I mostly spend with you
