Christmas like a lullaby

John Denver

Christmas like a lullaby steals across the land

A breeze upon the water, rainfall upon the sand

We celebrate a baby born from spirit into man

And Christmas like a lullaby steals across the land

D

It's morning in Australia; In fact it's Christmas day

D

Em

And Colorado never seemed so very far away

Em

C

Back where night has fallen and it's still Christmas Eve

C

G

And snow is on the mountains where I always hate to leave

D

Here I am down under with a brand new family

D

And Christmas bells are ringing

Em

And there's presents neath the tree

Em

C

I know that it's been said before and now I know it's true

C

That home is where the heart is

C

G

And Christmas lives there too

D

And on this morning Peace on Earth

D

Is still our fervent prayer

D

And I can hear it being

Em

Whispered softly everywhere

Em

And guns are called to silence

C

And anger called to still

C

And brotherhood and sisterhood

C

G

Surrounded by goodwill

Christmas like a lullaby steals across the land

A breeze upon the water, rainfall upon the sand

We celebrate a baby born from spirit into man
