The following song tells of John Denver s love for flight and it seems fit that his life ended doing what he loved. He will be missed.

Flying For Me  
John Denver (klr)

Well, [D] I guess that you probably know by now  
I was [Bm] one who wanted to fly  
I wanted to [G] ride on that arrow of [A] fire right up into [D]  
heaven [G] [A]  
And I [D] wanted to go for every man  
Every [Bm] child, every mother of children  
I wanted to [G] carry the dreams of all [A] people right up to the  
[D] stars [G] [A]

And I [D] prayed that I^?d find an answer there  
Or [Bm] maybe I^?d find a song  
Giving a [G] voice to all the [A] hearts that cannot be [D] heard  
[G] [A]  
And for [D] all the ones who live in fear  
And [Bm] all those who stand apart  
My being [G] there would bring us a [A] little step closer [D]  
together

They were flying for [G] me  
They were [A] flying for every [D] one  
They were trying to [G] see a brighter [A] day for each and evey [D]  
one  
They gave us their [G] light  
They gave us their [A] spirit and all they could [D] be  
[G] They were [A] flying for [D] me  
[G] They were [A] flying for [D] me

And I [G] wanted to wish on the [A] Milky Way  
And [D] dance upon a falling [Bm] star  
I wanted to [G] give myself and [G/e] free myself and [G] join myself  
with it [A] all

[D] [Bm] [G] [A] [D]

Given the [G] chance to dream it [A] can be done  
The [D] promise of tomorrow is [Bm] real  
Children of the [G] spaceship earth  
The [A] future belongs to us [D] all

She was flying for [G] me  
She was [A] flying for every [D] one  
She was flying to [G] see a brighter [A] day for each and every [D]  
one  
She gave us her [G] light  
She gave us her [A] spirit and all she can [D] be  
[G] She was [A] flying for [D] me

They were flying for [G] me  
They were [A] flying for every [D] one  
They were trying to [G] see a brightrer [A] day for each and every  
[D] one  
They gave us their [G] light  
They gave us their [A] spirit and all they could [D] be  
[G] They were [A] flying for [D] me (4x)

Enjoy
