

Follow Me
John Denver

It s by far the hardest thing I ve ever done
to be so in love with you and so a-lone

***Chorus

Follow me where I go what I do and who I know
make it part of you to be a part of me
follow me up and down all the way and all around
take my hand and say you ll follow me

It s long been on my mind you know it s been a long, long time,
You see, I d like to share my life with you and show you things I ve seen,
I ll try to find the way that I can make you understand
places that I m going to places where I ve been
the way I feel about you and just how much I need you
to have you there beside me and never be a--lone
to be there where I can talk to you when there s no one else around.
and all the time that you re with me then we will be at home.

***CHORUS
