Enjoy the following selection.

Love is the Master
John Denver (klr)

[D/A] - [D/G] - [D] 3x - [G] - [A] - [Asus] - [D]

[D] Almost exactly a year ago
I came [G] here for the very fisrt [Em] time
Looking [G] up at the Spanish [Bm] window
>From a [G] trail on the edge of the [A] timber [A7] line
Ive been [D] off on a journey to find myself
Maybe [G] find my way back [Em] home
Been [G] many an hour all [Bm] by myself
In the [G] darkest of nights
I was [Em] never, [A] ever, [D] alone
[Bm] - [G] - [A] - [Asus]

[D] Back into the San Juan Mountains again
On a [G] ride with some good old [Em] boys
Telling [G] stories around a [Bm] campfire
The [G] sound of laughter is the [A] loudest [A7] noise
There?s [D] something in a night in the wilderness
It?s a [G] magical thing to [Em] me
Like the [G] sky is just a little bit [Bm] brighter
And your [G] life is every [Em] thing that you?d [A] like it to [D]
be
[Bm] - [G] - [A] - [Asus]

There?ll be [Bm] snow on the passes [D] tomorrow
You can [G] feel it in the chill of the [D] wind
Let the [Bm] rain wash away all my [A] sorrow
[G] Today is the day that my [A] life starts all over [D] again
[Bm] - [G] - [A] - [Asus]

I [D] guess that its just about over now
Every [G] things about to [Em] change
[G] Everythings a brand new [Bm] number, darlin
Every [G] things a brand new [A] game [A7]
And [D] its funny I could even call you that
After [G] all the pain weve been [Em] through
Ah, but [G] time is the master of [Bm] healing
[G] Love is the master of [A] everything that we [D] do
[Bm] - [G] - [A] - [Asus]

There'll be [Bm] snow on the passes [D] tomorrow
You can [G] feel it in the chill of the [D] wind
Let the [Bm] rain wash away all my [A] sorrow
[G] Today is the day that my [A] life starts all over [D] again
[Bm] - [G] - [A] - [Asus] [D/A] - [D/G] - [D] 3x - [G] - [A]

Enjoy one and all.
