

Season Suite - Summer
John Denver

C G/E F C
Silently the morning mist is lying on the water,
F Am C/E G
captive moonlight waiting for the dawn.
C G F C
Softly like a baby's breath, a breeze begins to whisper.
F Am G
The sun is coming quick you must be gone.

C G F C
Smiling like a superstar the morning comes in singing,
F Am C/E G
the promise of another sunny day.
C G F C
And all the flowers open up to gather in the sunshine,
F Am G
I do believe that summer's here to stay.

F C F C G
And oh, I love the life within me, I feel a part of everything I see
F C F C
And oh, I love the life around me, a part of everything is here in me.

Riding on the tapestry of all there is to see,
F Am C/E G
so many ways and oh, so many things.
C G F C
Rejoicing in the differences, there's no one just like me.
F Am G
Yet as different as we are, we're still the same.

F C F C G
And oh, I love the life within me, I feel a part of everything I see.
F C F C
And oh, I love the life around me, a part of everything is here in me.
F C F C
A part of everything is here in me, a part of everything is here in me.
