SEASON SUITE / WINTER
JOHN DENVER

INTRO: (I play it like this)

C G

```
E -----3-----|
B --4-5---4-5-----|
G -----5-----|
D -----|
A -----|
E -----|
```

VERSE:

```
      C      G              F C
It s cold and it s getting colder
      F              Am              C G
It s gray and white and winter all around
      C      G              F C
And oh, I must be getting older
      F              Am              G
And all this snow is trying to get me down
```

CHORUS:

```
      F              C
There s a fire in the corner slowly dyin away
      G              C      C7
Sometimes I just don t feel like goin on anymore
      F              C
And yet I know it s more than worth the waiting
      D7              D              G
For another chance to see the summer sun
      G7              C F C D G
Come on, shine on me
```

CHORUS:

```
      F              C
There s a fire in the corner slowly dyin away
      G              C      C7
