7 Holes John Doe John Doe 7 Holes From the album - Dim stars, bright sky http://www.thejohndoe.com Verse 1 D I never did drink like you G Em But I held back your hair like a girlfriend would do I told you how much I cared F Em you turned away with a laugh and a stare Poetry crowded your face F G Em froze as a smile skidded back into place Chorus Now lying & leaving and driving are leaking out all seven holes in our heads. We use every one to make everyone feel like Em their feelings are only pretend. A lazy, bitter end Verse 2 Α D Heavenly fallings from grace \mathbf{Em} You never knew your dad and I m sorry for that Love it or leave it with me F I ll drive it away in my car from the sea Chorus Now lying & leaving and driving are leaking

out all seven holes in our heads

F
We use every one to make everyone feel like

Em
their feelings are only pretend

Em
A lazy, bitter end

D
I brought you home too late

G Em

Stayed in the car while you walked to the door

[end on]
