[Verse]

[F] Got [G] myself into some [Am] trouble tonight
[F] Guess I m just [G] feelin [C] blue
It s been [F] so [G] long since I ve [Am] seen your face
This [Dm] distance [C] between me and [G] you

[Verse]

[F] That voice you [G] show me is not the [Am] one that I know
I must be [F] strung out of [G] what I [C] do
[F, G] Don t hang up [Am] again
There s nothing [Dm] else I know [C] how to [G] do

[Chorus]

[F] Burn [G] for [Am] you
[F] What Am I [G] gonna do [Am]
[F] Burn [G] for [Am] you
[F, G]

[Verse]

[F] I guess it [G] feels like your [Am] always alone
[F] And I feel [G] that way [C] too
It s [F] so [G] hard to [Am] explain to you
[Dm] Please [C] understand what I [G] do

[Chorus]

[F] Burn [G] for [Am] you
[F] What Am I [G] gonna do [Am]
[F] Burn [G] for [Am] you
[F] Burn [G] for [Am] you

[Bridge]

[Dm] Took my trouble to a [G] bar tonight
[C] For another [B(?)] point of [Am] view
But there s [F, Em] nothing [Dm] new
I m missing [G] you

[Chorus/Outro]

[F] Burn [G] for [Am] you
[F] What Am I [G] gonna do [Am]
[F] Burn [G] for [Am] you
[F] Burn [G] for [Am] you

[F] Burn [G] for [Am] you
[F] What Am I [G] gonna do [Am]
[F] Burn [G] for [Am] you

[F] Burn [G] for [Am] you

[F] What **Am** I [G] gonna do [Am]

[F] Burn [G] for [Am] you

[F] Burn [G] for [Am] you

Burn... for... you...
