John Farnham

This is the John Farnham version of this song. He does it as a massive power ballad, which is how the singer in our band likes to play it.

[INTRO]

G x 2 bars

[VERSE 1] - Just piano (upper piano register)

G **Em**
When I was younger, so much younger than today
C **D**
I never needed anybody's help in any way
G **Em**
But now those days are gone, I'm not so self assured
C **D**
Now I find, I've changed my mind, I've opened up the door

[CHORUS]

G **Em**
Help me if you can I'm feeling down
C **D**
And I do appreciate you being round
G **Em**
Help me get my feet back on the ground
C **D** **F**
Won't you please, please help me
