

Big Train To Memphis

John Fogerty

E **B7** **E** **A** **E** **B7**
When I was young I spend my summer days playing on the track
E **B7** **E** **A** **E**
The sound of the wheels rolling on the steel took me out and brought me back
A **E** **A** **E**
Big train from Memphis, Big train from Memphis
B7 **E** **B7** **E**
Now it s gone, gone, gone. Gone, gone, gone.

E **B7** **E** **A** **E** **B7**
Like no one before he let out a roar and I just had to tag along
E **B7** **E** **A** **E**
Each night I went to bed with the sound in my head and the dream was a song
A **E** **A** **E**
Big train from Memphis, Big train from Memphis
B7 **E** **B7** **E**
Now it s gone, gone, gone. Gone, gone, gone.

E **B7** **E** **A** **E** **B7**
Well I rode em in and back out again. You know what they say about trains
E **B7** **E** **A**
But I m telling you when the Memphis train came through
E
this old world was not the same
A **E** **A** **E**
Big train from Memphis, Big train from Memphis
B7 **E** **B7** **E**
Now it s gone, gone, gone. Gone, gone, gone.
