Don t You Wish It Was True chords
John Fogerty
Е
           Е
I dreamed I walked in heaven just the other night,
there was so much beauty, so much light
         в7
Don t you wish it was true;
don t you wish it was true?
  Е
An angel took my hand, said you don t have to hurry,
you got all the time in the world, don t worry
Don t you wish it was true;
               E
Lord, don t you wish it was true?
But if tomorrow everybody was your friend,
anyone could take you in,
no matter what or where you ve been
But if tomorrow everybody had enough,
the world wasn t quite so rough
Lord, don t you wish it was true?
```
