

I Cant Take It No More
John Fogerty

F

I can t take it no more

I can t take it no more

C

I m sick and tired of your dirty little war

F

I can t take it no more

F

You know you lied about the casualties

You know you lied about the WMD s

C

You know you lied about the detainees

F

All over this world

F

Stop talking about staying the course

You keep a-beating that old dead horse

C

You know you lied about how we went to war

F

I can t take it no more

(F F)(I can t take it)

C

I can t take it

F

I bet you never saw the old school yard

I bet you never saw the national guard

C

Your daddy wrote a check and there you are

F

Another fortunate son

F

I can t take it no more

I can t take it no more

C

I m sick and tired of your dirty little war

F

I can t take it no more
