**G C**  
Sometimes I think

And make it to the bell  
**G C**  
But there is a place  
**D G C D**  
As sweet as you will ever know  
**G C**  
In music and love  
**D G C D**  
And things you never tell  
**G C**  
You see it in their face  
**D G C D**  
Secrets on the telephone  
**G C**  
A time out of time  
**D G**  
For you and no one else

[Chorus]

**G C**  
Hey let s go  
**D G C**
