

666

**John Frusciante**

Ok first ever John tab, here goes

Its this for a while, then it changes...

```
e)-----|
B)-----|
G)-----|
D)-----|
A)----9-9---5-5-5555---7--5-|
E)--7-----|
```

...to this

```
e)-----|
B)-----|
G)-----|
D)-----|
A)----7-7---3-3-3333---5--3-|
E)--5-----|
```

That plays through the verse to, untill it gets to the bit where John screams the like hes being murdered, which goes...

```
e)-----|
B)-----|
G)-----|
D)-----|
A)----3---3---7-5-3-----3---3---7-5-3-|
E)--5---5-----5---5-----|
```

Sorry but im not really sure about the solo, so just impro around the 12th fret on B

Have fun, and questions, amendements or if you just wanna talk about how awesome John
