D-----7/97-----|
A-7/9-9-9-12-99-12-99-----9999999-----|
E-----10/7----|

```

```

Bm          D          A          Bm          F#m          G
Learning theres nothing to gain from advice
Bm          D          A          Bm          F#m          G
Hey doubt, come on around any time
D          G          A          Bm          F#m          G
Anyhow mistakes are what lead you through life
Bm          A          G          Bm          (RIFF See below)
Down and out s only if you think up and in s right
Bm          D          A          Bm          F#m          G

```

```

I ve gone along with the sins that are versions of you
Bm          D          A          Bm          F#m          G
But guidlines were all I had time to get through
D          G          A          Bm          F#m          G
It s like reading of love that s gone wrong
Bm
If time was laid out like that
D          A          Bm          (RIFF)

```

Everything would occur at once

A G Bm F#m

And all the laws were laid down twice

A G Bm F#m

And the clouds were doubled in the sky

A G Bm F#m

And being tall meant lacking height

A G Bm F#m G

And being wrong meant being right

Bm

You re perfect

D A Bm F#m G

You fit snuggly right in the lie

Bm D A Bm F#m G

One host is going to teach how to die

D

Lay down

G A Bm F#m G

The darkness tonight is so bright

Bm A G Bm (RIFF)

Reasons There s one for each time cars collide

A G Bm F#m

I hear that telling moments divide

A G Bm F#m

And the only important moments

A G Bm F#m

Are the in between times

A G Bm F#m

And being confused is an exercise

F#m G Bm

I m missing your thoughts tonight

F#m A G Bm

But we reach out to what s out of our sight

F#m G Bm

I m missing your thoughts tonight

F#m A G Bm

But we reach out to what s out of our sight

The riff can be played two ways depending what you feel is right: -
