**Em**                    **Am**                    **Em**  
I ve been insane well the time is slow

**G**                    **Em**                    **B**  
The pope don t matter when the pawn is your sea, don t you

**Bb**                    **Dm**                    **Bb**                    **F#**  
agree, when you re around I m wound                    round your thumb

**Bb**                    **F#**                    **Bb**                    **F#**  
you wanna be numb                    inside the gun

**Em**                    **Am**                    **Em**  
I ve been in pain hope it doesn t show

**G**                    **Am**                    **B**  
I ve been insane well the time is slow.... don t you want

**Bb**                    **Dm**                    **Bb**                    **F#**  
sunshine instead of phony lights                    all you billboards in light

**Bb**                    **F#**                    **Bb**                    **F#**  
I want big fight                    against the baby inside

**Bb**                    **F#**                    **Bb**  
that you mistaking for pain!
