

Enough Of Me
John Frusciante

Enough of Me

D **A** **G**
This precise time and right here
D **A** **G**
Are not going anywhere
D **A** **G**
I`ve had enough of new todays
D **A** **G**
For once I`d like to go another way
D **A** **G**
I speak my last words and then
D **A** **G**
remember it may never end
D **A** **G**
All that I`ve won I have lost
D **Bm** **F#m** **A** **E**
Each passing moment cuts me off

Bm **Em** **Bm** **A** **E**
Well, I don`t like to waste a chance but they`re overflowing
Bm **Em** **Bm** **A** **E**
What I don`t do will get done by somebody
Bm **Em** **Bm** **A** **E**
When I was five I saw some plants ungrowing
Bm **Em** **Bm** **A** **E**
Whether seen forwards or back they`d keep going
Bm
They`d keep going

G **D** **A** **Em**
If the seasons which change were all still
G **D** **A** **Em**
It`s so easy to see life would fail
G **D** **A** **Em**
Whatever slips out of our hands
G **D** **Em** **Bm**
Will find its way back to us once again

G **D** **A** **Em**
If the seasons which change were all still
G **D** **A** **Em**
It`s so easy to see life would fail
G **D** **A** **Em**
Whatever slips out of our hands
G **D** **Em** **Bm**
Will find its way back to us once again

G **D** **Em** **Bm**
Will find its way back to us once again

G **D** **Em** **Bm**
Will find its way back to us once again

Bm
Once again

For the solo just play Bm and Em listen to the song for the rhythm.

End.
