Tune down 1/2 step

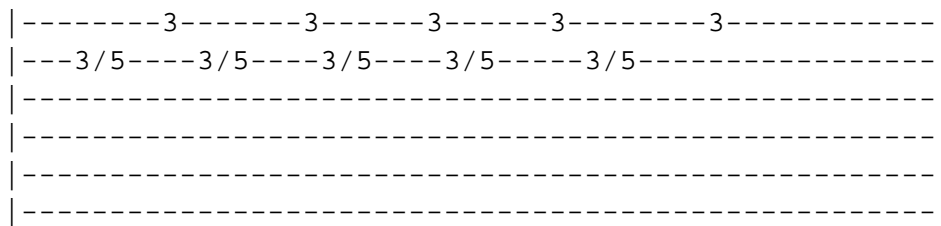

C **G** **Am** **F**
Could you think of a better way,

C **G** **Am**
To be even scared in the skyway.

F **C** **Dm**
And making me a part of this,

F **C** **Dm** **C** **G**
Corner of meaningless darkness.

Fig. 1

C **G** **Am** **F**
Of course you could but I d rather be,

C **G** **Am**
What I strive along for just to be.

F **C**
You love your country,

Dm
Love the strife.

F C Dm C G

Relieve your cock on your beloved wife.

But I m in a different world too.

---6---6---6---6-----10--10--10--10--6--6--6--6--6--6-----	
---7---7---7---7-----	
---7---7---7---7-----	x4
---5---5---5---5-----	
-----5h7h8-----	

Cause I am moving to move,
But I m not prepared to go get you,
And fly from your corruption stoop.

C		G		Am		
F						
And since I m around I ve got a few things to do,						
C		G	Am	F	C	
So I want to move along Cause you show tension, aggrivation,						
	Dm					
And I judge it cold						
		F	C	Dm	C	G
I can t imagine your wife using that to swallow.						

Fig. 3

-----15-----15-----15-----	
--14/16----14/16----14/16-----	

Repeat fig. 2:
But you see I m gonna cum down a feminine s throat,
In the surrealistic pain and wearing a coat.

So I have space that you can t chase to carry my love,

And you just have waste
