Tuning: normal E-tuning

There are some chords in the outro wich I didn t figure out,
but this is the version for dummies (like me :P)
Enjoy!

C **D** **A#** **F**
So each day would be new I build you to sleep
C **D** **A#** **F**
That s the idea of dying but you ll just have to see
C **D** **A#** **F**
You can do what you want or so you think
C **D** **A#** **F**
But til you stop all your thoughts you are ties to your surroundings

Em Em G C X4

Em **G** **C**
When the fog spreads out in the rainy season
Em **G** **C**
It comes from my insides
Em **G** **C**
When the thunderous lightning strikes down
Em **G** **C**
You re seeing your real I
Em **G** **C**
People People You blaspheme my name
Em **G** **C**

Em **Em** **G**
But still I love you Still I love you
C **Em** (2beats)
I love you just the same

C **B** **Am** **Em**
I hear all your prayers because I m each one of you
C **B** **Am** **Em**
Creation s not something I did It s something that I do
C **B** **Am** **Em**
The reason for the bad is so there d be such thing as good
C **B** **Am** **Em**

Oh I d do anything for you You all know I would

C **B** **Am** **Em**

Be for me Be for me Be for me Before me

C **B** **Am** **Em**

Be for me Be for me Be for me Before me

C **B** **Am** **Em**

You know that I try to repair and repay

C **B** **Am** **Em**

As life goes by a thousand times It gets a little better

C **B** **Am** **Em** **F#**

All is belief, All is belief, Yeah

C **B** **Am** **Em**

All is belief, All is belief
