sorry for that,it just had to be done.O.k,so i posted up the first few chords of this song, and said i`d get the rest of it up,so here is what i think it is.Now i havn`t been tabbing songs for very long, so to some people with a sharp ear, this is probably sounds terrible, but i think it sounds about right.

right, first few chords;;G,D,Am,Em

now,i`m gonna make some sense out of this,i`m gonna write up the lyrics and chords.
