In Relief

Shadows collide with people

By Stephen Mc Carthy

Standard tuning(EADGBE)

This is one of my favourite songs on this terrific album I hope you enjoy it!

Verse

G **Dm** **C**

To seem you re in me and over me,

Em\C **Am**
Relief in all things,

F **C**
And all things shoot through me,

D **C**
And all things shoot through you,

Em
Wherever you are,

G Dm C

To seem you're a dream when you never stop,

Em/C Am
And we ask you what you are,

F	C
Belief as one,	

D **C**
Belief as one what you believe in,

G Dm
Travel Slowly,

Am **Em**
Move in circles,

Am Em G
You know time grows old in reverse,

Em
Life was a thing that began,

Em **Am**
And was magnified,

Em **Am**
And made the first fire and the last one,

G **Dm** **C**
To mean everything you never say,

Em/C **Am**
Every single thing going every way,

F **C**
When your leader s gone,

D **C**
He means to make you strong,

C
He never went away,

G **Dm** **Am Em Am Em Am Em G**
Cuz what you need you are,
