A **E** **D**
All around you is to feel and watch you
A **E** **D**
They make patterns to peel the sound
Bm **A** **E**
And I find it a pain that goes along
Bm **A** **E**
With being in chaos s order
A **E** **D**
I ve a feild now to realize in
A **E** **D**
Watch the main jump It has fears of
Bm **A** **E**
you being there rising up
Bm **A** **E**
Like who you re introduced to saying goodbye
F#m **A** **E**
All again and you re always free now
F#m **A** **E**
I didn t fake this so you could fade away
Bm **F#m** **E**
I ve been careful to take what I ve spent
Bm **F#m** **E**
I remember every end

Repeat Verse and Chorus

I m pretending to face something
I ve been looking straight in it s eyes
Moments have you to play around with
Cuz inside actions there s no time

I ll evade you create a reason
I hear you inside a space
An instant is forever now
A futures fluctuates
Glimpse your motion
Sitting down
It s like framing a pear
Or saving sounds
I defy you to realize it
How shattering creates a song
I ve been used to help the body
Of work that will never be
A lapse of the most confused kind
Has reserved feelings jumping around
This first type plays around the souls
They have fun with everyone you know

Ending:

A **E** **F#m**
A knot only found
A **E**
Never made
Bm **F#m** **E** **Bm**
Everyday we reload feelings
D **E**
When we play

Outro: **F#m D E**
