

Moving

John Fullbright

Capo 2

G

Old man broke down on the side of the road
Stop and see if maybe I can lighten his load
He opened the door and he thanked me in kind
Told me the words that would open my mind

C

G

(he said)

G

Donâ€™t worry about gasoline

C

Weâ€™re moving

Donâ€™t worry about the tv screen

Weâ€™re moving

Donâ€™t worry about the bombs that fall

Weâ€™re moving

Donâ€™t worry about nothing at all

Thereâ€™s a man in the alley just aâ€™singing the blues
Telling everybody that theyâ€™re born to lose
Well one day heâ€™ll wake up and see the sun
See that everyday weâ€™re breathing is a day weâ€™ve won

:Bridge:

D

Thereâ€™s times the lines get hard to see

C

And thereâ€™s days the haze takes over me

G

But in the end youâ€™re gonna grit your teeth

C

And keep moving

Well the world will keep turning when Iâ€™m dead and gone
Iâ€™ll see you again and it wonâ€™t be too long
Maybe weâ€™ll meet in a place where there ainâ€™t no pain
Until that day my song remains
