CAPO 3

A **F**
You just want to live your life the best way you know how

A **F**
But they keep on telling you that you are not allowed

C **F**
They say you are sick, that you should hang your head in shame

Bb **F** **G**
They are pointing fingers and want you to take the blame

A **F**
There are days when people are so nasty and convincing

A **F**
They say things beyond belief that sting and leave you wincing

C **F**
And to boot they say their words Come straight down from above

Bb **F** **G**
And they really seem to think that what they re doing counts as love

C **G** **C** **G**
This pain...it is a glacier moving through you

C **F** **C** **G** **E** **Am**
And carving out deep valleys And creating spectacular landscapes

E **Am** **D**
And nourishing the ground With precious minerals and other stuff

Fm **C** **F** **G**
So don t you become paralyzed with fear When things seem particularly rough

Instrumental - **A F A F**
C F Bb F G

A **F**
Don t you pay them fuckers as they say no never mind
A **F**
They don t give two shits about you, it s the blind leading the blind
C **F**
What they want is commonly referred to as theocracy
Bb **F** **G**
And what that boils down to is referred as hypocrisy

A **F**
Don t listen to anyone, get answers on your own
A **F**
Even if it means that sometimes you feel quite alone
C **F**
No one on this planet can tell you what to believe
Bb **F** **G**
People like to talk a lot and they like to deceive

C **G** **C** **G**
This pain...it is a glacier moving through you
C **F** **C** **G** **E** **Am**
And carving out deep valleys And creating spectacular landscapes
E **Am** **D**
And nourishing the ground With precious minerals and other stuff
Fm **C** **F** **G**
So don t you become paralyzed with fear When things seem particularly rough

C **G** **C** **G**
This pain...it is a glacier moving through you
C **F** **C** **G** **E** **Am**
And carving out deep valleys And creating spectacular landscapes
E **Am** **D**
And nourishing the ground With precious minerals and other stuff
Fm **C** **F** **G**
So don t you become paralyzed with fear When things seem particularly rough

Instrumental + Ending - **A F** [Repeat until finish]
