

I get to sing for lovely people all over this lovely world

**C**

**E**

And I am no where near as awkward as I was when I was younger

**Am**

**D**

I guess I m one of those guys who gets better looking as they age

**C**

**G**

And even though I have felt beaten down by constant doubt,

**C**

**G**

Depression and confusion brought about by people s actions, death and tax forms

**C**

**E**

I keep getting up and I am loved by all my friends and family

**Am**

**D**

Though there have been lots of raised eyebrows and concerned glances lately

**Dm**

**F**

It doesn t matter to him,

**C**

**Cm**

I could be anything but I could never win his heart again

**G#**

**D#**

It doesn t matter to him,

**Bb**

**Bbm**

He to away my triple A pass, I am invisible to him

**C**

**G**

And now I feel the soft pink flesh of my heart hardening

**C**

**G**

To the countless possibilities contained within each day

**C**

**E**

Vulnerability feels like a cold, wet, concrete room lit

**Am**

**D**

With florescent lighting which as you know makes everything look bad

**C**

**G**

I still keep tryin to figure out how I became irrelevant

**C**

**G**

How I got myself evicted from his heart from one day to the next

**C**

**E**

And the worst part is that even if I got an answer right now

**Am**

**D**

It would not change anything because we have become two strangers

**Dm**

**F**

It doesn t matter to him,

**C**

**Cm**

I could be anything but I could never win his heart again

**G#**

**D#**

It doesn t matter to him,

**Bb**

**Bbm**

He to away my triple A pass, I am invisible to him

**Dm**

**F**

It doesn't matter to him,

**C**

**Cm**

I could be anything but I could never win his heart again

**G#**

**D#**

It doesn't matter to him,

**Bb**

**Bbm**

He to away my triple A pass, I am invisible to him

Instrumental + Ending - **Dm F C Cm**

**G# D# Bb Bbm** [Repeat until over]
