A **Em**
I don t know who I thought I was, I guess I tried to love you,
G **D**
Because I thought I could afford, to take the risk and take a chance,
A **Em**
I do not know who I thought I was fooling,
G
I must have felt invincible in your arms,
D
Like I could take the whole world on.

A **D**
But it s easier for me, to believe that you are lying to me,
A **E**
When you say you love me and when you say you need me,
A **D**
Yes it s easier for me to walk away and get on with my life,
A
If I believe that you re deceiving me,
Em **G** **D**
A
If I believe that you d be leaving me one day, be leaving me one day, be leaving
me one day.

A **Em**
I wish that I could make you see, but clearly that is not to be,
G **D**
Cause you will not be swayed by me, you ve made it clear, you must be free,
A **Em** **G**
I would have sacrificed for you, I would have been so loyal and so true,
