Outer Space John Grant NOTES -1. TUNED DOWN HALF A STEP 2. You can play a normal G if you like, however I have found it sounds nicer if you play the G like this - 355433 3. Please comment and rate with any suggestions. A – x02220 **Dm** - xx0231 **E** - 022100 **D** - xx0232 **F#m** - 244222 **Bm** - x24432 Intro - A Dm A Dm A Dm A Е D Α I still don t know what I am looking at, F#m Е D Α Cause I ve never seen anything like this before, Е Α D I have a friend who s an astromomer, F#m D \mathbf{E} Α And he says he cannot help me cause he doesn t have a clue. Bm Α D I think that you must be from outer space, G BmΑ D Maybe from somewhere beyond the stars, BmD А I think you must be extraterrestrial, Bm D Cause you can open up the heavens for me, Dm A Dm A Dm A Α With just one smile, just one smile, just one smile. Instrumental - E D A F#m E D A Е D Α What is that sound coming out of your mouth, F#m \mathbf{E} D Α Cause I ve never heard anything like that before

 E
 D
 A

 It sound like a language from another galaxy
 F#m
 E
 D
 A

 It wanna thank you cause you ve opened the door.
 It door.
 It door.
 Bm
 A
 D

 It think that you must be from outer space,
 It door.
 It door.
 It door.
 It door.

Bm Α G D Maybe from somewhere beyond the stars, Bm D Α I think you must be extraterrestrial, Bm D Cause you can open up the heavens for me, Dm A Dm A Α Dm A With just one smile, just one smile, just one smile.
