B **E** **Esus4** **E** **Esus4** **E**
How fast you gonna run? Away from this one.

C#m **B**
Anywhere but here, you wanna disappear.

Esus4 **E** **Esus4** **E**
Into the next daylight, where everything s right.

C#m **B**
It s always somewhere else, you re gonna fix yourself.

A **B** **A**
Once shame and guilt had made their mark.

Chorus (fast)

C#m **B** **A** **E**
Well you can t run away from the nagging dark.

C#m **B** **A** **E**
You carry it everywhere in your heart.

C#m **B** **A** **E**
It finishes everything that you start.

B **A**
And, you can t run away from the nagging dark.

B **E** **Esus4** **E** **Esus4** **E** **Esus4**
How much you gonna cost? When everything s lost.

C#m **B**
What a price you d pay, just to feel some way.

Esus4 **E** **Esus4** **E**
Cause your heart has stone, round down to the bone.

C#m **B**
How your flesh and blood, is just ashes and mud.

A **B** **A**
Feels like your soul s been blown apart.

Repeat Chorus

B **E** **Esus4** **E** **Esus4** **E** **Esus4**
How far can you see? Will you ever be free?

C#m **B**
Through the blackest night, aw you still hold on tight.

B **A** **B** **A**
Hope is your finest work. It s your finest work.

B **F#m** **A**
Hope is your finest work of all.

Repeat Chorus 2X
