g| |--0--0----2---|
d| |--2--0----3---|
a| |--3--2----3---|
e| |--3--3----1---|
```

Intro:

**C#**

Verse 1:

**C# F#maj7 C#**

Truth is I never was young

**G# F#maj7**

Shot like a bullet from a rusty old gun

**G#**

I could never find the straight and true

**F#maj7 C#**

Honey, baby, till I found you

Verse 2:

**F#maj7 C#**

I ain t sayin I ever grown up, girl

**G# F#maj7**

Oh, I m the biggest baby in the world

**G#**

I know you can say a lot about that

**F#maj7 C#**

But you re so sweet, you keep it under your hat

Chorus:

**F#maj7 C#**

Honey, I m still the same old man

**G# F#maj7**

That you married way back when

**G#**

A few less brain cells, a lot less hair

**F#maj7 C#**

Honey, tell me, do you still care?

**F#maj7 C#**

I love you more than I ever did  
          **G#**                  **F#maj7**  
I love you just like a little kid  
                                  **G#**  
Guess I ll always be your biggest fan  
                          **F#maj7**      **C#**  
Honey, I m still the same old man

Verse 3:

**F#maj7**                  **C#**  
We been down a rough road or two  
          **G#**                  **F#maj7**  
This is another one we ll get through  
                                  **G#**  
Don t ask me how I know  
                                  **F#maj7**                  **C#**  
I m just saying, baby, please don t go

Verse 4:

**F#maj7**                  **C#**  
Cause I can still sparkle up your eyes  
          **G#**                  **F#maj7**  
You can still cut me down to size  
                                  **G#**  
Please take me as I am  
                                  **F#maj7**      **C#**  
Honey, I m still the same old man

Repeat Chorus

Verse 5:

**F#maj7**                  **C#**  
You start out trying to change everything  
          **G#**                  **F#maj7**  
You wind up dancing with who you bring  
                                  **G#**  
I loved you then and my love still stands  
                          **F#maj7**      **C#**  
Honey, I m still the same old man
