Em D

Something wild

Em D

Something wild - tell me love is

Em D

Something wild - tell me love is

Verse:

Itâ€™s not as if we could think that things were one way

And they would all just be that way right now

When I was a kid I thought that someday

I could tame this lion heart, some way, somehow

Pre-Chorus:

Now Iâ€™m hungry for the love

That doesnâ€™t know what itâ€™s dreaminâ€™ of

Raging for the meek and mild

Chorus:

Like something wild

Something wild

Something wild - tell me love is

Em D A

Something wild - tell me love is

Bridge:

A G

Thereâ€™s a hole where the wind blows through

A

And some curtains hung

G

But I canâ€™t hid a thing from you

B

You know where I come from

(Solo 4 bars)

Final Verse: (Lead only, no Rhythm)

Well I tried getting there under my own steam

â€™til my very last chance was shot

Now youâ€™re under my skin like a submarine

I can feel you in my veins running hot

Now if itâ€™s more than a new pair of jeans, a new car, some pocket money

And a place to go

Then we better get up and scream at the top of our lungs like it

Was gonna die if we didnâ€™t make it so

Pre-Chorus:

I hear voices in the hall

I wake up and itâ€™s nothing at all

An angry wolf, or a hungry child

Chorus:

Or something wild

Something wild

Something wild - tell me love is

Something wild - tell me love is

Outro:
