TIP OF MY TONGUE - John Hiatt

E A E A C#m A B

E A E
An empty house is the only thing standing

B A E
Between our lives and the speed of sound

C#m B E A E
Some words flew out and made a crash landing

B A E
No love survived - not a trace could be found

C#m E E/G# A Am
And I broke your heart with the back of my mind

E A B E A C#m A B
From the tip of my tongue to the end of the line

I walked away and you stood there trembling
Like a leaf in the autumn chill
Now this house won t say, no, what I m still remembering
Three angry words and a love that they killed

And I broke your heart with the back of my mind
E E7
From the tip of my tongue to the end of the line

F#m B E E7
And you couldn t say how much it hurt you

F#m B E E7
And I couldn t see the damage I d done

A B G# C#m
Till I watched the greatest love I ve known

F# B
All come down to a slip of the tongue

Well I d take it back but time won t let me
Oh time just takes you further away
I watched you pack a house full of memories
Where did you go? Lord, what did I say?

And I broke your heart with the back of my mind
From the tip of my tongue to the end of the line
From the tip of my tongue to the end of the line
From the tip of my tongue to the end of the line
