John Hiatt

Your Love Is My Rest (from the album Walk On) by John Hiatt

D **Bm** **F#m**
These are the words, That cry out of me in the night
D **Bm** **F#m**
Like a buffalo herd, From a shotgun blast scattered in flight

G **D**
I got a one track mind, Going down a one train line

A **D**
Living on dreams half the time, Going West

G **D**
I gotta pick up speed, Just to get what I need

A **D**
The end of the line guaranteed, Your love is my rest

D **Bm** **F#m**
The coal catches fire, I m down the wire in a flash

D **Bm** **F#m**
That big old smoke stack, Is belching out black smoke and ash

G **D**
So sad to think of, Hurting the one you love

A **D**
But surely that s what leaving does, You d know best

G **D**
I gotta pick up speed, Just to get what I need

A **D** **A** **D**
The end of the line guaranteed, Your love is my rest, Your love is my rest

D **Bm** **F#m**
We pass through the land Of Custer s last stand And I grin

D **Bm** **F#m**
So this is where old Yellow Hair s Ghost dance begins

G **D**
I got the blood on my hands, Can t even live where I stand

A **D**
I m just a traveling man, Cursed or blessed

G **D**
I gotta pick up speed, Just to get what I need

A **D**
The end of the line guaranteed, Your love is my rest

A **D** **A** **D**
Your love is my rest, Your love is my rest
