CRUISE NIGHT - John K. Samson

Tabbed by: Neno

VERSE 1:

A **D**
I know it s annoying borrowing your brother s car

A **D**
But mine won t start, and it s Sunday

A **D**
Soon a line of headlights peering down the avenue

A **D**
could find you there in a lawn chair

PRECHORUS/CHORUS:

F#m **E** **Dmin7b5**
Next to our old El Camino with the racing stripes

A **D** **A** **D**
on cruise night, on cruise night, on cruise night

VERSE 2:

A **D**
Dude, just make it happen I can t take another week

Am **D**
of feeling lame with the same old

A **D**
tin can on my ten speed circling the Dairy Queen

A **D**
while jacked up rides idle at me
