

Forever Took Too Long
John Landry

Forever Took Too Long

F **C**
Iâ€™ve been trying, God knows how long,
Dm **Bb**
to piece my heart back together.
F **C**
Now here I am back in our hometown,
Dm **Bb**
you never answered my letters.
A Bb **C**
Is your dad still workinâ€™? And howâ€™s your mom?
F **C** **Bb**
We havenâ€™t talked since last December.
A Bb **C**
I know itâ€™s been some time since Iâ€™ve been gone,
Bb **C**
but you said youâ€™d wait forever.

F **C** **Bb**
I guess forever took too long.
F **C** **D** **Bb**
I guess I shouldnâ€™t have left you, hanginâ€™ on.
F **C** **D** **Bb**
I guess you couldnâ€™t wait, my leavin was wrong.
A Bb **C** **F**
I guess forever took too long.

Was I the only one who thought this would last?
If I was wrong then you can tell me.
Now I donâ€™t mean to be living in the past,
I just canâ€™t believe you donâ€™t love me.
How can you stand there and say the love has died,
you know I can still remember,
how you turned from me with tears in your eyes,
and swore youâ€™d love me forever.

I guess forever took too long.
I guess I shouldnâ€™t have left you, hanginâ€™ on.
I guess you couldnâ€™t wait, my leavin was wrong.
I guess forever took too long.
