

## Conversations In The Dark

John Legend

**A** **C#m**  
Talk, let's have conversations in the dark  
**F#m** **D**  
World is sleep, I'm awake with you, with you  
**A** **C#m**  
Watch movies that we've both already seen  
**F#m**  
I ain't even looking at the screen, it's true  
**D**  
I've got my eyes on you

**E** **F#m**  
And you say that you're not worthy  
**A** **E**  
You get hung up on your flaws  
**D** **E** **F#m** **E**  
But in my eyes, you are perfect as you are

**A**  
I won't ever try to change you, change you  
**C#m**  
I will always want the same you, same you  
**F#m**  
Swear on everything I pray to  
**D** **E** **A**  
That I won't break your heart  
**A**  
I'll be there when you get lonely, lonely  
**C#m**  
Keep the secrets that you told me, told me  
**F#m**  
And your love is all you owe me  
**D** **E** **A**  
And I won't break your heart

**A** **C#m**  
On Sunday mornings, we sleep in 'til noon  
**F#m** **D**  
Well, I could sleep forever next to you, next to you  
**A** **C#m**  
And we, we got places we both gotta be  
**F#m**  
But there ain't nothing I would rather do  
**D**  
Than blow off all my plans for you  
**E** **F#m**

And you say that you re not worthy

**A**

**E**

And get hung up on your flaws

**D**

**E**

**F#m**
