Just hugging & kissing our love exhibition all

We rendezvous out on the fire escape
I like to set up an alarm today
The love emergency don t make me wait
Just follow I ll lead u. I urgently need you

Let s go to the park
I wanna kiss u underneath the stars
Maybe we ll go too far
We just don t care
We just don t care
We just don t

Let s make love,
let s go somewhere they might discover us
Let s get lost in lies
We just don t care
We just don t care
We just don t care

I see u closing down the restaurant

Let s sneak and do it when your boss is gone
Everybody s leaving we ll have some fun
Or maybe it s wrong but u turn me on

Ooh, we ll take a visit to your Mama s house
Creep to the bedroom while your Mama s out
Maybe she will hear it when we scream and shout
And we will keep it rocking until she comes knocking

Let s go to the park
I wanna kiss u underneath the stars
Maybe we ll go too far
We just don t care
We just don t care
We just don t

Let s make love,
let s go somewhere they might discover us
Let s get lost in lies
We just don t care
We just don t care
We just don t care

Ooh I don t care about the priority
Let s break the rules and ignore society
Maybe our neighbor like to spy too
So what if they watch when we do what we do

Oh, let s go to the park
I wanna kiss u underneath the stars
Maybe we ll go too far
We just don t care
We just don t care
We just don t

Let s make love,
let s go somewhere they might discover us
Let s get lost in lies
We just don t care

We just don't care

We just don't care
