

Someday

John Legend

(intro)    **C**    **C/Bb**    **F/A**    **Fm/Ab**

**C**

As days go by

**C/Bb**

And fade to nights

**F/A**

I still question

**Fm/Ab**

Why you left

**C**

I wonder how

**C/Bb**

It didn't work out

**F/A**

But now you're gone

**Fm/Ab**

And memories

**C**

All I have for now

**C/Bb**

But no it's not over

**F/A**

We'll get older

**Fm/Ab**

We'll get over

**C**

We'll live

**C/Bb**

To see the day

That I hope for

**F/A**

Come back to me

**Fm/Ab**

I still believe that

**Bb**                      **F**

We'll get it right again

**C**

We'll come back

**G**

To life again

**Bb**

We won't say

**F**

Another goodbye again

**C**

You ll live

**G**

Forever with me

**C C/Bb F/A**

Someday, someday

**Fm/Ab**

We ll be together

**C C/Bb F/A**

Someday, someday

**Fm/Ab**

We ll be together
