

Someday

John Legend

(intro) C C/Bb F/A Fm/Ab

C

As days go by

C/Bb

And fade to nights

F/A

I still question

Fm/Ab

Why you left

C

I wonder how

C/Bb

It didn't work out

F/A

But now you're gone

Fm/Ab

And memories

C

All I have for now

C/Bb

But no it's not over

F/A

We'll get older

Fm/Ab

We'll get over

C

We'll live

C/Bb

To see the day

That I hope for

F/A

Come back to me

Fm/Ab

I still believe that

Bb F

We'll get it right again

C

We'll come back

G

To life again

Bb

We won't say

F

Another goodbye again

C

You ll live

G

Forever with me

C C/Bb F/A

Someday, someday

Fm/Ab

We ll be together

C C/Bb F/A

Someday, someday

Fm/Ab

We ll be together
