(Lyric and music by *John Legend*)

Intro

SOLm RE LA6

SOLm RE LA6

SOLm RE LA6

SOLm RE LA6

SOLm RE LA

Can you just stay through the night?

SOLm RE LA

Turn down the bed and the blinds

Before your turn around

SOLm RE LA

Can you just stay through the night?

SOLm RE

Let me breathe you in til gravity bends

Sib

And we fall through the hole in the light.

SOLm

Make this our kingdom

Mib LA

Somewhere where good love conquers and not divides.

SOLm RE

Cause I may not know a lot of things but

Sib SOLm

I feel it in my chest

RE LA

No, I won't let the blue flame die

SOLm

We can't lose hope just yet

RE

Cause it's once, just once in a lifetime

Sib

And we're scared to love but it's alright

SOLm RE

I may not know a lot of things but

Sib SOLm RE LA6

I know that we're surefire, yeah...

SOLm RE LA6

Know that we're surefire, yeah...

SOLm RE LA

Can t keep this bed warm on the left side
SOLm RE LA
When something is cold as a goodbye
Why don t you turn around?
SOLm RE LA
Ignore all that shit from the outside
SOLm
The world is a nightmare
RE LA
Wake up and stay here let me be on your side
SOLm
We ll make this our kingdom
RE LA
Somewhere where good love conquers and not divides.

FA#m REmaj7
And oh my, oh my, oh my, oh my God
Sib
I m so, I m so, I m so tired of fighting
SOLm REmaj7 LA
Let go, give in, let go and give up, oh...

SOLm RE
I may not know a lot of things but
