

## Going Down on Love

John Lennon

[A5]Got to get down, down on my knees.  
Got to get down, down on my knees.  
[E] Doot doo doo doo, doot doo doo doo.  
Going down on [F#m]love, [C#m] going down on [F#m]love,  
[A] going down, going [F#7]down, going down.  
[B7] When the real thing goes wrong [E]  
[B7] and you can t get it on. [E]  
[B7] And your love, she has gone [E]  
[B7] And you got to carry on. [E]  
[B7] And you shoot out the light,  
ain t coming home for the night,  
You know you [E7]got to, got to, got to pay the price.  
[A]Somebody please, please help [F#m]me.  
[A] you know I m drowning in a [F#m] sea of hatred. [A]  
I [A5]got to get down, down on my knees.  
Got to get down, down on my knees.  
[Bm7 E Bm7 E]  
Doot doo doo doot, doot doo doo doo.  
Going down on [F#m]love, [C#m] going down on [F#m]love,  
[A] going down, going [F#7]down, going down.  
[B7] Something precious and rare [E]  
[B7] disappears in thin air. [E]  
[B7] And it seems so unfair, [E]  
[B7] nothing doin nowhere. [E]  
[B7] Well, you burn all your boats,  
and you sow your wild oats,  
Well, you [E7]know, you know, you know the price is right.  
[A5]Got to get down, down on my knees.  
Got to get down, down on my knees.  
[A5]Got to get down, down on my knees.  
Got to get down, down on my knees. (Oh!)  
[Bm7 E] Repeat and fade.
