

India, India
John Lennon

E **B7**
India, India, take me to your heart
E
Reveal your ancient mysteries to me
A **E** **C#m**
I m searchin for an answer, but somewhere deep inside
B7 **E**
I know I ll never find it here - it s already in my mind

E **B7**
India, India, listen to my plea
E
Sit here at your feet so please don t leave
A **E** **C#m**
I m waiting by the river but somewhere in my mind
B7 **E**
I left my heart in england with the girl I left behind

A **E**
I ve got to follow my heart wherever it takes me
A **E**
I ve got to follow my heart wherever it calls to me
B7 **E**
I ve got to follow my heart and my heart is going home

E **B7**
India, India - listen to my plea
E
I sit here at your feet so patiently
A **E** **C#m**
I m waiting by the river but somewhere in my mind
B7 **E**
I left my heart in england with the girl I left behind

I ve got to

A **E**
Follow my heart wherever it takes me
A **E**
I ve got to follow my heart wherever it calls to me
B7 **E**
I ve got to follow my heart and my heart is going home
