

India

John Lennon

INDIA by John Lennon; done on a acoustic

this is a rare demo from john lennons dakota demos in 1980. and remains unreleased
to this day. but its a great gem and is worth playing.

note: John throws some quick E6s in during some of the E strumming and also i think
there is a few hammer ons in the E strumming.

E **B7**
India, India, take me to your heart

E
Reveal your ancient mysteries to me
A **E** **C#m**
I m searchin for an answer, but somewhere deep inside

B7 **E**
I know I ll never find it here - it s already in my mind

India, India - listen to my plea
Sit here at your feet so please don t leave
I m waiting by the river but somewhere in my mind
I left my heart in England with the girl I left behind

A **E**
I ve got to follow my heart wherever it takes me
A **E**
I ve got to follow my heart wherever it calls to me
B7 **E**
I ve got to follow my heart and my heart is going home

pause

India, India - listen to my plea
I sit here at your feet so patiently
I m waiting by the river but somewhere in my mind
I left my heart in England with the girl I left behind

E|--0--0--2--2----4---4-
I ve got to

Follow my heart wherever it takes me

I ve got to follow my heart wherever it calls to me
I ve got to follow my heart and my heart is going home
