People say we got it made

Don't they know we're so afraid?
G D
Isolation

We're afraid to be alone
Everybody's got to have a home
Isolation
Just a boy and a little girl
Trying to change the whole wide world
Isolation
The world is just a little town
Everybody trying to put us down
G A G D
I-----solation

BRIDGE:

D A G A G
I don't expect you to understand
A G A G
After you've caused so much pain
A G A G
But then again, you're not to blame
A G A D D/A# D/B D7 G D
You're just a human, a victim of the insane

We're afraid of everyone
Afraid of the sun
Isolation
The sun will never disappear
But the world may not have many years
